

NEWSFLASH September 2009

One World Centre Management Committee

Are you interested in serving on the OWC Management Committee?

We are particularly looking for practising teachers who could bring a view from the classroom to the work of the Management Committee.

The role of the OWC Management Committee is to set policy directions for the Centre, oversee financial management, provide outreach into the community and employ OWC staff.

What does serving on the OWC Management Committee involve?

- attending monthly meetings. These are usually held at the OWC in Bayswater.
- becoming involved in the activities of the wider OWC community.
- assisting with the organisation of events.
- being a community based advocate for the Centre.

If you are interested in finding out more about serving on the OWC Management Committee please contact Alison Bullock ph 93719133 or email coordinator@oneworldcentre.org.au

Education Officer (secondary): Global Education

Are you passionate about global development issues?

We need an enthusiastic person with secondary teaching qualifications and experience to join our team. A commitment to global social justice issues is essential. The main requirement of this new role will be to develop and implement a professional development program for secondary teachers and student teachers.

See <http://www.oneworldcentre.org.au/about-us/employment/> for job description and selection criteria or contact Alison Bullock: ph(08) 9371 9133 or email coordinator@oneworldcentre.org.au

Global Education Teacher Grants

The OWC is offering Global Education Teacher Grants of up to \$5,000 to teachers who are interested in undertaking Global Education projects in their classroom, school or district. These funds are available for projects taking place in Western Australia during the period December 2009 to November 2010.

Examples of possible projects:

- working as a facilitator for global education in a school or cluster of schools
- staging events such as workshops, forums or exhibitions to promote global education
- conducting professional development in a school, district office or a cluster of schools
- enabling commitment and action on a global issue among students in a school
- developing resources (print, DVD, online etc) around one of the themes of global education

See <http://www.oneworldcentre.org.au/about-us/employment/> for details about Global Education Teacher Grants or contact Alison Bullock: ph(08) 9371 9133 or email coordinator@oneworldcentre.org.au
