

The One World Centre education team is enthusiastic about facilitating inclusive and equitable quality education and promoting lifelong learning opportunities for all (as per United Nations Sustainable Development Goal 4). Trained experienced presenters will work with you, inspiring and challenging you and aligning activities with the WA curriculum. One World Centre workshops focus on three main aspects of global education:

- Education for Global Citizenship (EdGC)
- Education for Sustainable Development (ESD)
- Education for Intercultural Understanding.

The One World Centre provides **workshops** for school and university teaching staff*, pre-service teachers* and community groups.

THE GLOBAL GOALS
For Sustainable Development

Sustainable Development Goal 4

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

Target 4.7. By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through **education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity** and of culture's contribution to sustainable development.
