Working towards a just and sustainable world

“Achieving the Universal Sustainable Development Goals: insights and stories from the US”

with Peter Newman

Fresh from his recent US tour, Peter will share some of his experiences and latest thinking on sustainability.

Peter's presentation continues the One World Centre's focus on the Sustainable Development Goals. See <https://sustainabledevelopment.un.org/> and <http://www.oneworldcentre.org.au/>

WHEN? 11 am, Saturday, 8 October 2016

WHERE? One World Centre, 5 King William St, Bayswater

Entry by donation

RSVP: owc@oneworldcentre.org.au, Thursday 6 October

Stay for lunch at noon to be followed by the One World Centre Annual General Meeting at 1pm.

Peter Newman is the Professor of Sustainability at Curtin University and Director of the Curtin University Sustainability Policy (CUSP) Institute. He has had a long-standing passion for making cities sustainable with a focus on transport and land use. His achievements are long and varied culminating in being awarded an Order of Australia in 2014 for his contributions to urban design and sustainable transport, particularly related to the saving and rebuilding of Perth's rail system.

Read more about Peter's He has recently visited the US and will share <http://www.curtin.edu.au/research/cusp/people/index.cfm/P.Newman>
