

One World Centre

educating for a just & sustainable world

Services for Family Day Care Services

Individual Membership Cost: \$65

Includes

- Membership of OWC for 12 months
- access to library resources for 12 months
- receiving quarterly OWC newsletters

Reply Paid Cost: \$10 per each posting of resources

- If a Family Day Care service wants resources sent directly to them or to return them via post they can use the OWC reply paid service at \$10 each time a package of resources is posted. Alternatively they are able to pick up from and return resources to the One World Centre in Bayswater.

For Groups of FDC services

Option 1 - Cost \$120 per year

The manager of a group of Family Day Care services becomes a member of the Centre.

The Manager would then take responsibility for:

- collecting resource requests from the Family Day Care services she/he manages
- collecting and returning resources from the OWC library
- delivering the resources to each Family Day Care service

Option 2 Cost \$120 per year per service

A group of Family Day Care services (min 8) agree to work together as a group to have resources delivered and picked up.

- An initial delivery would be made and then resources would be delivered and picked up on the same day each month
- Each educator would be responsible for contacting the OWC library with requests for resources

This includes: salary costs for the OWC librarian to select and deliver resources (about 30 minutes per Centre), travel and fuel costs.
