## Act Local – Be Global

In 2016, **OWC** was funded by Lotterywest to deliver community engagement programmes to 3 different organisational partners and participating communities:

- **Local government - The Town of Bassendean**
- **Linkwest member centre - William Langford Community House**
- **A multicultural organisation – ISHAR Multicultural Women's Health Centre**

### ➤ Local government - The Town of Bassendean

#### Act Local Be Global in Bassendean – Verge Transformation

By transforming verges, you get to know your neighbours and work together to improve soil and vegetation, contributing to sustainable cities and communities (SDG 11) and restoring terrestrial ecosystems (SDG 15). This project is a great example of a local response to the global concern of climate change (SDG 13).

#### **Celebrating women of the world – Global Hearts, Local Action**

This project was for women from diverse backgrounds and all walks of life, contributing to improved gender equality (SDG 5). The purpose of the project was to share knowledge of the different cultures represented, improving local health and wellbeing (SDG 3). Then the participants worked together to offer messages of hope and practical help to women less fortunate, reducing inequality (SDG 10).
