

One World Centre

You can make a difference

Dear members and supporters

This is a short update from the One World Centre at tax time!

Through the valuable support of young and older volunteers and individual donors the Centre is thriving but we need your help to be long term sustainable and open up to the public more than our current Wednesdays and Thursdays.

We are continuing our professional development sessions with schools and universities and have branched out to work with community groups on global education. We have a formal pilot funded for one year through lotteries WA with 3 different community groups and are also linking to global civil society through our global engagement with CIVICUS and local membership of the WA SDG Network together with groups like Conservation Council of WA, WACOSS, Reconciliation WA, Oxfam, and the WA Local Government Association. For the latest goings on, follow us on twitter and facebook and check the website: <http://www.oneworldcentre.org.au/>

Our library is still full of great resources but we want to supplement it with more material that can help us reach out and work with the community. We also want to make the collection more accessible to regional and remote schools. Would you make a tax deductible donation to our library fund to help us do this? With your help we can fund initiatives like a new kit on the Sustainable Development Goals and tailored materials to help reach out to communities and to regional and remote schools.

Please make your tax deductible contribution today through our GiveNow site at:

<https://www.givenow.com.au/oneworldcentrelibrary>

A one off donation at tax time will be a great bonus for our work, a monthly donation of even a small amount like \$10 will help us budget our regular commitments throughout the year.

If you can't donate please stay engaged with the centre anyway by attending our events or volunteering your time or connecting with us through social media as that's what we thrive most on.

Warm regards

Joe Courtney

One World Centre convenor
