

6.30PM, FRIDAY JULY 29

**IT'S TIME:
THE BOMB AND THE
NUCLEAR INDUSTRY ARE
TOTTERING. COME AND
GIVE THEM A PUSH!**

***Dr. Tilman Ruff OA proffers advice from a doctor:
there has never been a better time to negotiate a nuclear
weapons convention and help the world overcome its
nuclear addiction.***

Tilman (Co-President of International Physicians for the Prevention of Nuclear War, and founder of ICAN: International Campaign for the Abolition of Nuclear Weapons) has just returned from the UN Working Group on Nuclear Disarmament Vienna conference, optimistic about achieving nuclear peace. On the eve of the 71st anniversary of the bombings of Hiroshima and Nagasaki, Tilman will explore current achievements and next steps in securing a pathway forward to nuclear weapons abolition.

Please take this rare opportunity to hear from an internationally acclaimed peace activist who will challenge you to think beyond your assumptions
