

Term 2, 2018 Library News

Welcome to Term 2!

We hope you'll find many useful tips and suggestions as you prepare and deliver teaching this term. Details of library services and resources, as well as upcoming workshops for professional development for the term are included. As always, **OWC offers specialist workshops and events throughout the year at a discounted rate for members.**

OWC Library houses **specialised teaching resources** to support global education for all ages. Resources cover identity and cultural diversity, sustainable futures, interdependence and globalisation, social justice and human rights, and peace building.

Individual Library Membership: from \$65.00

School Library Membership from \$120.00 annually.

FOR IDEAS AND INSPIRATION

Simulation Games are a great way to engage with your students in deep learning in a unique and engaging way

www.oneworldcentre.org.au/library/simulation-games/

We stock a large range of simulation and board games. These are an excellent albeit sometimes confronting way of looking at global issues; items in our collection include: the Poverty Game, Run For Your Life (refugee game) Star Power (conflict and wealth distribution) and more...

ONE WORLD CENTRE			
Australian and global workplace are explored.	The way the work environment is changing in contemporary Australia and the implication for current and future work. (ACHC005)	SDG 12. Ensure sustainable consumption and production patterns. http://www.un.org/sustainabledevelopment/sustainable-consumption-and-production/	
HASS 19 GEOGRAPHY The concept of place space , environment, sustainability and place continue to be developed as a way of thinking, which provides students with an opportunity to explore how people, through their choices and actions, are connected to places in a variety of ways. Students apply this understanding to a wide range of places and environments at the full range of scales, from local to global, and in a range of locations.	Biomass and food security The distribution and characteristics of biomass in regions with distinctive climates, soils, vegetation and productivity . (ACHC006) The ways that humans in the production of food and fibre have altered some biomass (e.g. through vegetation clearance, drainage, terracing, irrigation) (ACHC007) The environmental, economic and technological factors that influence crop yields in Australia and across the world (e.g. climate , soils, landforms, water resources, irrigation, accessibility, labour agricultural technologies) (ACHC008) The challenges to food production, including land and water degradation , shortage of fresh water, competing land uses, and climate change (ACHC009) The effects of anticipated future population growth on global food production and security; the capacity for Australia and the world to achieve food security; the implications for agriculture, agricultural innovation , and environmental sustainability (ACHC004) Geographies of interconnections The perceptions people have of place , and how this influences their connections to different places (ACHC010) The way transportation, and information and communication technologies are used to connect people to place , information and people in other places (ACHC011) The ways that places and people are interconnected with other places through trade , travel , and migration , at all scales (ACHC012) The effects of people's travel, recreational, cultural or leisure choices on places, and the implications for the future of these places (ACHC013)	SDG 2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture. http://www.un.org/sustainabledevelopment/hunger/ SDG 3. Ensure healthy lives and promote well-being for all at all ages. http://www.un.org/sustainabledevelopment/health/ SDG 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation. http://www.un.org/sustainabledevelopment/infrastructure-innovation/ SDG 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development. http://www.un.org/sustainabledevelopment/oceans/ SDG 15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss. http://www.un.org/sustainabledevelopment/land/ Sustainable Development GENERAL SDG 12. Ensure sustainable consumption and production patterns. http://www.un.org/sustainabledevelopment/sustainable-consumption-and-production/	

Looking for Curriculum

Links to the UN Sustainable Development Goals?

The OWC website has links to the following:

SDG, ESD, CGEd Curriculum Links Table for **PRIMARY HASS Years 3-6**

UPCOMING WORKSHOPS AND EVENTS ...

MAY

NATIONAL RECONCILIATION WEEK 27 May to 3 June

This year's Reconciliation Week theme is **"Don't Keep History A Mystery: Learn. Share. Grow"**. OWC's global education library includes an extensive range of resources for exploring Aboriginal and Torres Strait Islander histories and cultures. Reconciliation Australia also has a collection of inspiring stories of Indigenous activists, farmers, warriors, families, heroes, inventors, and trailblazers, as well as teaching resources and more on its NRW2018 website:

<https://www.reconciliation.org.au/national-reconciliation-week/>

JUNE

ONE WORLD CENTRE EVENT SUNDAY JUNE 3

Dinner and conversation with **MICHAEL WRIGHT: "Looking Forward, Moving Forward." Project on improving Aboriginal health.**

Bookings essential via [trybooking: https://www.trybooking.com/VPES](https://www.trybooking.com/VPES).

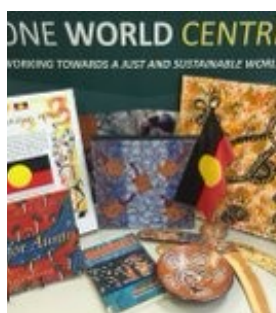

This event is an initiative of the OWC's Reconciliation Action Plan team to coincide with National Reconciliation Week (27 May – 3 June). It also demonstrates our commitment to advancing the Sustainable Development Goals (Goal 3: Ensure healthy lives and promote well-being for all at all ages).

**FOR BOOKINGS AND DETAILS ABOUT ALL EVENTS
