

City of Rockingham Castaways Schools Competition Information Sheet

Castaways School Competition 2020

The City of Rockingham's Castaways Sculpture Awards is Rockingham's signature arts and culture event, celebrating artistic innovation and environmental awareness. The annual outdoor sculptural exhibition showcases artworks from Western Australian artists created from repurposed materials, at the newly revitalised Rockingham Foreshore.

The Castaways School Competition and exhibition is an important way of involving local youth and encouraging the pursuit of knowledge and new skills. Both primary and secondary schools have the opportunity to design and create a sculpture from recycled or repurposed materials for public exhibition alongside emerging and professional artists.

HOW TO ENTER

Entries open Tuesday 2 June 2020. Submit an online entry form available on the City of Rockingham website:

www.rockingham.wa.gov.au/castaways

Please note, the artwork does not need to have been completed at this stage. A clear concept design will ensure the Curator has a good understanding of what you are creating.

If there are any concerns, the Curator will contact you.

Entries close 4pm Friday 14 August 2020

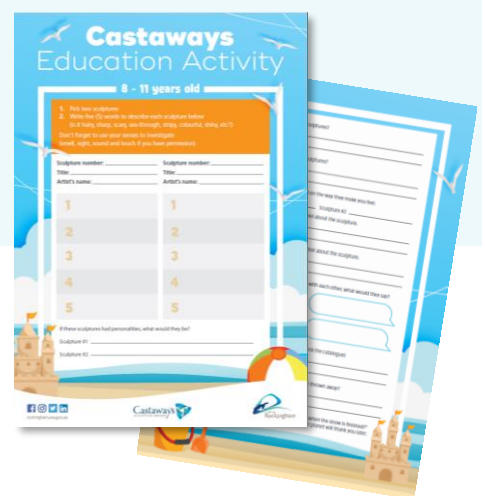

What will be involved for my class and I?

- The creation of one (1) recycled sculpture during Term 2.
- Complete and submit Castaways Schools Competition Entry Form on behalf of the school class.
- Provide a copy of the school's Public Liability Insurance.
- Teachers are responsible at all times for the supervision of students during this project.
- Schools will be required to source or collect suitable recycled materials.
- Schools selected will be responsible for the installation of their sculpture on **Friday 23 October** at the Rockingham Foreshore and de-installation **Monday 2 November**, at times identified by the Curator and the City.
- Each school can apply to be reimbursed a total fee of \$100 for a representative to attend installation and de-installation.
- Rockingham schools will have an opportunity to select one (1) item from the Waste Transfer Station, by appointment.
- Works must be able to withstand the weather elements including rain, wind and storms, for the duration of the nine (9) day exhibition.

Castaways Education Activity Sheets

Castaways Education Activity Sheets are available to facilitate a teacher-led school excursion during the exhibition. Activity sheets have been developed for age groups, 3-7, 8-11 and 12-15 years.
