

TWO-WAY SCIENCE: Aboriginal Cross Curriculum Priority Embedded in Science and illustrated in an outdoor classroom context

Dr Elaine Lewis

WORKSHOP INFORMATION

In this small group workshop Elaine will provide classroom examples of how to embed the Aboriginal & Torres Strait Islander Cross Curriculum Priority in the Science Learning Area. Participants will conduct a hands-on Chemical Science investigation and join a tour of the school grounds. This tour will feature many examples of the Priority in action, including a guided walk in the school bushland, showcasing the application of two-way science.

Tuesday
