

Botanicals: **Environmental Art using Gel Print Making** led by Barbara van Gool (Barbwire Arthouse)

This hands-on Visual Art workshop, linked with the Sustainability Cross Curriculum Priority, will:

- * Expose, provide experience, explore and use different materials and techniques to make artworks.
- * Develop artistic skills through experimentation with shape, colour, line, space, texture and value.

(<https://k10outline.scsa.wa.edu.au/>)

The workshop is suitable for Middle Primary - Secondary Teachers and other interested people. No previous experience is needed.

This workshop links with United Nations Sustainable Development Goals 3. Wellbeing; 12. Responsible Consumption and Production; and 15. Life on Land
