

ONE WORLD CENTRE

WORKING TOWARDS A JUST AND SUSTAINABLE WORLD

TWO-WAY SCIENCE WORKSHOP AT COOLBINIA PRIMARY SCHOOL

Two Way Science supports integrated learning programs connecting Aboriginal and Torres Strait Islander cultural knowledges with Western science and the Western Australian curriculum.

In this workshop an Aboriginal educator and several teachers will provide classroom examples of Two-Way Science in operation. Participants will be invited to join a guided walk of the school bushland, highlighting the application of two-way science.

This workshop links with United Nations Sustainable Development Goals 4 (Quality Education), 13 (Climate Action) & 16 (Human Rights and Justice).
